Spellbound: art and film

Full text not available from this repository.

Abstract

Book synopsis: As well as a historical chronicle of art and film in Britain since 1900, this book includes a selection of double-page spreads on the work of the featured artists, including Ridley Scott, Damien Hirst, Terry Gilliam, Eduardo Paolozzi and Peter Greenaway. These pieces are accompanied by specially commissioned essays by film and art historians, including Christopher Frayling, Peter Wollen, the novelist Gordon Burn, Martin Kemp and Marcia Pointon.
